Safety Administration**

DECISIONS AND NOTICES RELEASED July 21, 2016 -- 10:30 AM

NOTICE

Please note the timeframe required to revoke a motor carrier's operating authority for failing to have sufficient levels of insurance on file is a 33 day process. The process will only allow a carrier to hold operating authority without insurance reflected on our Licensing and Insurance database for up to three (3) days. Revocation decisions will be tied to our enforcement program which will focus on the operations of uninsured carriers. This process will further ensure that the public is adequately protected in case of a motor carrier crash. Accordingly, we are adopting the following procedure for revocation of authority; 1) The first notice will go out three (3) days after FMCSA receives notification from the insurance company that the carrier's policy will be cancelled in 30 days. This notification informs the carrier that it must provide evidence that it is in full compliance with FMCSA's insurance regulations within 30 days. 2) If the carrier has not complied with FMCSA's insurance requirements after 30 days, a final decision revoking the operating authority will be issued.

SMALL CARRIER TRANSFER APPLICATIONS INVOLVING MOTOR CARRIERS, PROPERTY BROKERS, FREIGHT FORWARDERS, AND HOLDERS OF CERTIFICATES OF REGISTRATION.

AGENCY: Federal Motor Carrier Safety Administration.

ACTION: The FMCSA has approved, subject to public comment, the transfer of authority of motor carriers, property brokers, freight forwarders, and holders of certificates of registration, pursuant to the decision in Ex Parte No. MC 111 (Sub No. 1), Transfer Rules, 4 I.C.C.2d 382, (1988), and the regulations at 49 CFR Part 365, Subpart D. The parties may consummate a proposed transaction at any time after 10 days of the filing of the application. Protests may be filed within 20 days of the publication date of the application. If a protest is received, the FMCSA will issue a decision disposing of the protest, and any transaction consummated prior to the FMCSA's decision will be at the parties' own risk, subject to any conditions we subsequently may impose. Similarly, if either party has less than satisfactory safety rating, consummation of the transaction pursuant to the 10 day rule is at the parties' own risk subject to any conditions we subsequently may impose. If no protests are received, or if the FMCSA does not issue a subsequent decision on safety grounds, the publication of the application will become the final action of the FMCSA.

General Information

GRANT DECISION NOTICES: Permanent motor carrier, broker, and freight forwarder authority applications filed on or after January 1, 1995.

The following requests for authority have been reviewed by the Administration and are published as preliminary grants. Some of the requested service descriptions may have been modified prior to publication to simplify and provide for consistency in authorities issued by the Administration. These grant decision notices do not represent authority to operate.

Amendments to the applications generally are not permitted. Once the application is filed, the applicant may revise an authority request or supplement evidence only with approval of the Administration.

Applicants will be sent a letter on the day notice of their application appears in the FMCSA Register informing them of their docket number, the publication date, and their insurance and process agent filing requirements and deadlines.

Legally sufficient opposition in the form of verified statements must be filed within 10 days from date of publication.

Opposition to a grant of operating authority will be accepted as a protest if it meets the requirement of Title 49 Code of Federal Regulations Subpart B. Protests should be sent to: Associate Administrator, Office of Research and Information Technology, FMCSA, 1200 New Jersey Avenue, SE, W65-206, Washington DC 20590.

In the absence of opposition, authorities will be issued to those applicants that, within 20 days from date of publication, have filed evidence of appropriate compliance.

Applications that are not supplemented by the 20th day following FMCSA Register publication with the required insurance and process agent filings will be dismissed. Dismissal notices will be issued to non-complying applicants on the 30th day after FMCSA Register publication.

Authorities will remain in full effect only as long as the applicant maintains appropriate compliance.

Direct inquiries for status of motor carrier applications and inquiries regarding insurance filings to the Administration's Automated Response Capability telephone system, at (202) 358-7000 or to our web site at <http://li-public.fmcsa.dot.gov>.
