This Certificate is evidence of the carrier's authority to engage in transportation as a **common carrier of passengers** by motor vehicle in interstate or foreign commerce.

This authority will be effective as long as the carrier maintains compliance with the requirements pertaining to insurance coverage for the protection of the public (49 CFR 387); the designation of agents upon whom process may be served (49 CFR 366); and tariffs or schedules (49 CFR 1312). The carrier shall also render reasonably continuous and adequate service to the public. Failure to maintain compliance will constitute sufficient grounds for revocation of this authority.

For common carriers with irregular route authority: Any irregular route authority in this Certificate may not be tacked or joined with other irregular route authority unless joinder is specifically authorized. Any regular routes authorized in this Certificate may be tacked or joined with one another and with other interstate regular route authority you hold, at any common service.

The transportation service to be performed is described on the reverse side of this document.
