This Certificate of Registration is evidence of the motor carrier's authority to engage in transportation as a common carrier of property (except household goods) by motor vehicle in interstate or foreign commerce, between points in Mexico and points entirely in a municipality that is adjacent to Mexico, in contiguous municipalities in the United States, any one of which is adjacent to Mexico, or in a zone that is adjacent to, and commercially a part of the municipality(ies). (These are known as the border commercial zones).

This authority will remain in effect only as long as the carrier is in compliance with requirements pertaining to the designation of agents upon whom process may be served (49 CFR part 366). Willful and persistent noncompliance with applicable safety fitness regulations may result in the suspension or revocation of this authority at any time.

Entry into the United States at an international border location is authorized only if all of the following documents are carried in the vehicle:

- (1) a copy of this Certificate of Registration,
- (2) an insurance identification card, binder, or other document issued by an authorized insurer which specifies both the effective date and expiration date of the insurance coverage to cover the carrier's operation during the time it is in the United States, and this evidence must show the name of the insured to be exactly as the name of the holder of this Certificate of Registration, and

Estimado Transportista:

Esta carta es para informarle que su solicitud para conseguir autorización para operar en las municipalidades de los Estados Unidos, en la frontera entre los Estados Unidos y México y su zona comercial, ha sido aprobada. Adjunto encontrará su número de US DOT y su certificado de registro provisional. Una copia del mismo deberá estar en cualquier vehículo que provea servicio de transportación dentro del margen del certificado. Le recordamos que cuando maneje en los Estados Unidos deberá cumplir con todas las Regulaciones de la Administración Federal de Seguridad del Transportista (FMCSRs), con las normas federales de seguridad del vehículo de motor (FMVSS), y con las regulaciones de los materiales peligrosos (HMRs).

De acuerdo a la Sección 49 CFR, Parte 385.103, su compañía deberá someterse a una auditoría de seguridad en alguna fecha dentro de los 18 meses del período de operación provisional. Por favor, comuníquese con la oficina local de la Administración Federal de Seguridad del Transportista (FMCSA) para separar una fecha para la auditoría. La FMCSA continuará observando de cerca sus procedimientos de manejo para asegurar el cumplimiento de las reglas durante el período de 18 meses. Usted deberá comunicarle a la FMCSA cualquier cambio o corrección en la información del transportista sometida anteriormente en la Sección I, IA o II del formulario OP-2 o BOC-3, dentro de 45 días del cambio o de la corrección.

Por último, si usted cometiere una o más de las violaciones descritas en la Sección 49 CFR 385.105, antes de que el certificado de registro provisional sea permanente, le podrán requerir someterse a una auditoría inmediata de seguridad o revisión de cumplimiento, o en alternativa, que someta una contestación escrita describiendo la acción correctiva. Si fallara al responder a la demanda de la Agencia de someter por escrito la respuesta dentro de 30 días, esto resultará en la suspensión de su certificado de registro provisional.

Si tiene alguna pregunta o si necesita información adicional, por favor comuníquese con su oficina local de la FMCSA:

## **CERTIFICATE OF REGISTRATION**

**MX Number: 1480618**

**MANIOBRAS Y TRASLADOS DE CARGA DE MONTERREY SA DE CV**  
**MONTERREY, NL, MX**

This Certificate of Registration is evidence of the motor carrier's authority to engage in transportation as a common carrier of property (except household goods) by motor vehicle in interstate or foreign commerce, between points in Mexico and points entirely in a municipality that is adjacent to Mexico, in contiguous municipalities in the United States, any one of which is adjacent to Mexico, or in a zone that is adjacent to, and commercially a part of the municipality(ies). (These are known as the border commercial zones).

This authority will remain in effect only as long as the carrier is in compliance with requirements pertaining to the designation of agents upon whom process may be served (49 CFR part 366). Failure to maintain an agent for the service of process will constitute sufficient grounds for suspension or revocation of this authority.

This authority may also be suspended or revoked if the carrier fails to demonstrate that it is exercising basic safety management controls during the safety monitoring period established in 49 CFR part 385, subpart B. Willful and persistent noncompliance with applicable safety fitness regulations may result in the suspension or revocation of this authority at any time.

Entry into the United States at an international border location is authorized only if all of the following documents are carried in the vehicle:

- (1) a copy of this Certificate of Registration,
- (2) an insurance identification card, binder, or other document issued by an authorized insurer which specifies both the effective date and expiration date of the insurance coverage to cover the carrier's operation during the time it is in the United States, and this evidence must show the name of the insured to be exactly as the name of the holder of this Certificate of Registration, and
- (3) a Form MCS-90 endorsement document and this form must show the name of the insured to be exactly as the name of the holder of this Certificate of Registration.
